

Kako aktiviram QR kodo?

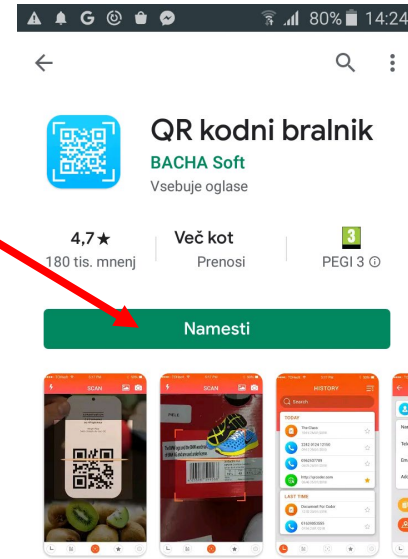

1. Na telefonu odri trgovino Google Play, preko katere boš namestil aplikacijo za branje QR kod.

3. Vpiši: qr code scanner.

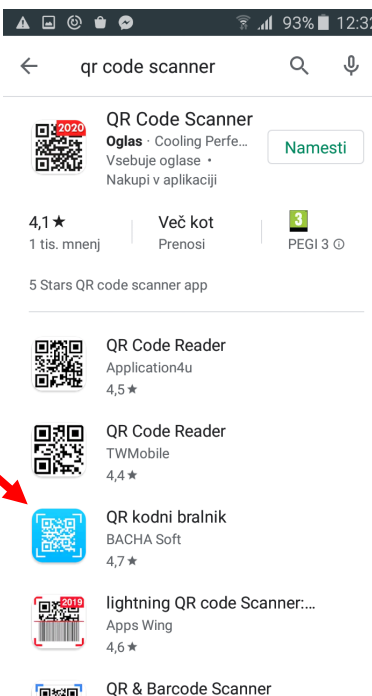

5. Izberi.

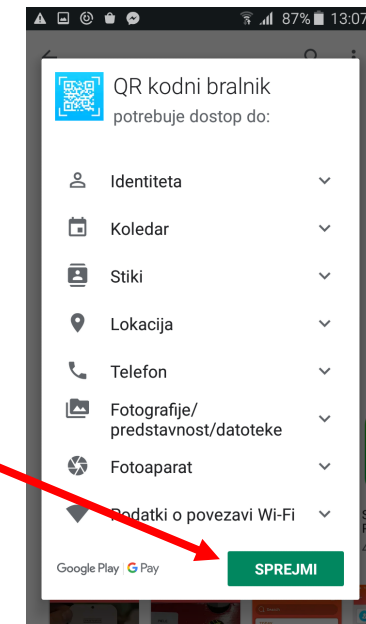

4. Izberi ENO od aplikacij in jo namesti.

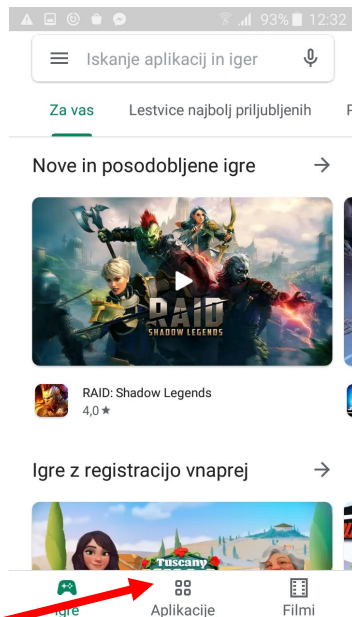

Sama sem namestila in preizkusila 3 in ugotovila, da je **QR kodni brskalnik** najlažja za uporabo.
